**These notes are intended to assist participants gain maximum benefits from our meetings.**

The group is totally independent of any commercial, political, or external organization.

**The purpose of the group is to offer an informal opportunity for Anglo business people to present their business, services or products to other like-minded Anglos for their mutual benefit.**

**Our meetings are on the first Monday of each month, 7.00pm – 9.00pm.**

Due to Chaggim and other exceptions, this may vary, please check prior to each meeting.

**Our meetings are held in the TELFED (South African Zionist Federation) offices** at 19 Schwartz St. Raanana. We thank them for the regular use of this venue free of charge.

**Attendance is 10 Shekels to cover the costs of the simple refreshments** and incidental expenses

**Each participant is asked to give a two minute statement** giving their name and business and what they would like to achieve from the evening networking meeting.

Examples would be: Contacts, extra sales, clients, employment, investment etc.

**Attendance is usually around 25 participants** made up of approx. 30% new visitors and a rotating base of 60% regulars. We have an e-mailing list of approximately 200 participants so the mix does vary from month to month and you are not presenting to the same people each month.

**We also have a LinkedIn Group – Anglo Business Networking Group** – and we recommend all attendees to join. It enables us to hear the opinions of members and gives you a further channel to advertise your services or products. You will also receive updates on meeting dates.

**Examples of participants are:** Accountants, Lawyers, and Investors, Health and Wellness, Jobseekers, Sales Agents, Business Consultants, Property Managers, Entrepreneurs, Osteopaths, Removers, Hi-techies, English Teachers, and Recruitment Companies, New Immigrants and others.

**Participants are requested to attend on time** as we start punctually, and late arrivals could miss some presentations. It also disturbs the presentations and reduces networking time.

**During the evening we ask you to add your name and e-mail contact details** to our database so that we can send you the contact details of all those attending, and send you notification of our next meeting. These details include the geographical area of the participant.

Please update us by e-mail of any errors and we will reissue a corrected list immediately.

We hope you will enjoy and benefit from our meetings.

**We ask you to bring a friend or associate to our meetings, as the constant flow of new contacts ensures our continued success.**

This group is run by volunteers, and we appreciate and look forward to your comments and suggestions on how to improve the group. Please pass on your comments after the networking session
